The floodplain map layer is from the Department of Homeland Security, Federal Emergency Management Agency. Since the parcels and floodplain map layers are compiled independently with varying degrees of map accuracy their spatial accuracy relative to each other may also vary. Therefore, the composite maps shown on this site should be used only as a guide and not as a definitive determination as to the relationship between floodplains and individual parcels as represented on these maps.

The property lines or parcels depicted on these maps were created by Frederick County Government. The property lines shown on these maps have been compiled from tax maps and plats and is not an actual survey. The maps should not be used for legal descriptions or for making legal determinations. Users noting errors are urged to notify Frederick County GIS, 12 E Church St, Frederick, MD 21701.
